

E-One Service, Sales, and Repairs

Magnolia Pump
& Equipment Inc.

Providing YOU With Fluid
Solutions

In our journey to continually bring our customers the best products and offerings in the water & sewer industry, we are pleased to announce that we offer the entire E-One product line for the states of Mississippi and Louisiana.

We are also proud to announce that Magnolia Pump is a Level 3 Trained full service repair, warranty service, and installation center. We offer repair/rebuild training, installation training, and much more.

Visit www.MagnoliaPump.com/eone for more information or if you would like to contact us you can email us at eone@magnoliapump.com.

Inventory

Magnolia Pump's Pelahatchie, MS warehouse will be our central E-One stocking center. With a full selection of pumps, basin assemblies, and parts we can meet your needs with same day service as you need it.

Repair

Since we want you, the customer, to have the fastest and most efficient service possible, Magnolia Pump will continue its long standing tradition of in house repairs. With factory trained E-One mechanics, all of your repairs will be performed in house, with factory parts including any warranty work.
